

## MICHIGAN FUTURITY

The Michigan Futurity, as described herein, is envisioned as a method of spotlighting Michigan Dairy Goat Breeders. It is hoped that a large number of Michigan breeders will accept the opportunity to show their skills as breeders of productive, well conformed dairy goats. This ability can then be rewarded by the advertising value and monetary benefits resulting from winning. This Futurity will serve to recognize and promote dairy goats bred by Michigan goat breeders. May we wish you all success in the adventure of breeding top quality dairy goats.
